Historical Notes and Data Verification Rules:

1. 1997 WDC Runner-Up: Michael Schumacher originally finished 2nd with 78 points but was disqualified from the final classification by the FIA due to unsporting conduct at Jerez; Heinz-Harald Frentzen is officially recognized as the 1997 runner-up.
2. Constructors' Championship was officially inaugurated in 1958 under the title "International Cup for F1 Manufacturers".
3. Drop-score rules applied between 1950 and 1990; parentheses show gross points scored prior to dropped rounds.
